

RISING TIDE: Episode Seven – Network Effect

1. Why is reaching Tokyo so essential to reaching Japan with the gospel? What are some of the challenges?
 2. What strategy did City to City (Redeemer PCA – NY) use to plant the first church in downtown Tokyo with the goal of planting a church that would plant churches?
 3. What was the specific vision that birthed Grace City Church?
What is the vision of your local church?
 4. How did God use the tsunami to speed up the process of planting churches in Tokyo?
 5. Why was a network necessary to start and sustain an indigenous church planting movement?
 6. Pastor Fukuda shares that he is praying for the Japanese Christians to grow to 2% of the population. What makes this prayer audacious? What will be the spiritual significance when God answers this prayer?
